

## Scientific Programme

Thursday, 17 June 2021

---

<b>08:30 - 09:30</b>	Joint Sessions, Virtual Room 1 <b>Joint SSP-EFP Session COVID-19</b>
<b>08:30 - 08:40</b>	<b>COVID: the most important messages</b> Alexandra Calmy (Geneva, Switzerland)
<b>08:42 - 08:52</b>	<b>COVID in children: (including multisystem inflammatory syndrome)</b> Arnaud L’Huillier (Geneva, Switzerland)
<b>08:52 - 09:02</b>	<b>Acute respiratory failure in COVID patients outside the ICU</b> Dan Adler (Geneva, Switzerland)
<b>09:02 - 09:12</b>	<b>COVID and vascular disease (vasculitis, thromboembolic disorders..)</b> Marc Righini (Geneva, Switzerland)
<b>09:12 - 09:22</b>	<b>Swiss COVID lung study</b> Manuela Funke-Chambour (Bern, Switzerland)
Joint Sessions, Virtual Room 2	
<b>08:30 - 09:30</b>	<b>Joint SSP-EFP Session Sleep disordered breathing 1</b>
<b>08:30 - 08:48</b>	<b>New Swiss recommendations 2020 for the diagnosis and treatment of sleep apnoea</b> Raphaël Heinzer (Lausanne, Switzerland)
<b>08:48 - 09:06</b>	<b>Residual sleepiness in patients treated for sleep apnoea</b> Jean-Louis Pepin (Grenoble, France)
<b>09:06 - 09:24</b>	<b>New treatments for OSA</b> Malcolm Kohler (Zürich, Switzerland)
Joint Sessions, Virtual Room 3	
<b>08:30 - 09:30</b>	<b>Joint SSP-EFP Session E-cigarettes</b>
<b>08:30 - 08:48</b>	<b>Effects of e-cigarettes on imaging</b> Sylvia Nyilas (Bern, Switzerland)
<b>08:50 - 09:08</b>	<b>E-cigarettes and „Heat not burn devices“: an individual opportunity, but risks for society</b> Jacques Cornuz (Lausanne, Switzerland)
<b>09:10 - 09:28</b>	<b>Impact of e-cigarettes on smoking in adolescents</b> Jürg Barben (St. Gallen, Switzerland)

## Scientific Programme

- Joint Sessions, Virtual Room 1
- 09:45 - 10:45** **Joint SSP-EFP Session ILD 2: Sarcoidosis**  
Chair: Thomas Geiser (Bern, Switzerland)
- 09:45 - 10:03** **Sarcoidosis (in Switzerland): What's new?**  
Martin Brutsche (St. Gallen, Switzerland)
- 10:05 - 10:23** **Pulmonary sarcoidosis - new treatment options**
- 10:25 - 10:43** **Cardiac sarcoidosis - diagnosis and treatment**  
Yurdagul Uzunhan (Paris, France)
- Joint Sessions, Virtual Room 2
- 09:45 - 10:45** **Joint SSP-EFP Session Sleep disordered breathing 2**
- 09:45 - 10:03** **Drug induced sleep endoscopy" (DISE): for whom and why?**  
Nicolas Dulguerov (Geneva, Switzerland)
- 10:05 - 10:23** **Insomnia and OSA**  
Sandrine Launois (Paris, France)
- 10:25 - 10:43** **Specific aspects of obstructive sleep apnea in children**  
Claudine Gysin (Zürich, Switzerland)
- Joint Sessions, Virtual Room 3
- 09:45 - 10:45** **Joint SSP/EFP Session Pulmonary rehabilitation**
- 09:45 - 10:03** **Benefits of rehabilitation in comparison to inhalation therapy**  
Bernard Egger (Rolle, Switzerland)
- 10:03 - 10:21** **Combination of in- and outpatient rehabilitation programs**  
Jean-Marie Grosbois (Lille, France)
- 10:21 - 10:39** **Obstacles for respiratory rehabilitation programmes: how to move forward?**  
Swantje Beyer (Winterthur, Switzerland)
- Joint Sessions, Virtual Room 1
- 11:00 - 12:00** **Joint ERS-SSP/EFP Session Interstitial lung diseases 1**
- 11:00 - 11:18** **Hypersensitivity Pneumonitis - Diagnosis and treatment**
- 11:20 - 11:38** **New antifibrotic drugs**  
Katrin Hostettler (Basel, Switzerland)
- 11:40 - 11:58** **Secrets of radiological ILD diagnosis and use of AI**  
Lukas Ebner (Bern, Switzerland)

## Scientific Programme

- Joint Sessions, Virtual Room 2
- 11:00 - 12:00** **Joint SSP-EFP Session Sleep disordered breathing 3**
- 11:00 - 11:18** **Sleep apnoea and cardiovascular risk factors: where are we? New biomarkers?**
- 11:20 - 11:38** **SOMNEF study: Sleep patterns and major sleep complaints: a global perspective**  
Franck Soyeux (Antony, France)
- 11:40 - 11:58** **Emerging countries: prevalence and impact of sleep apnoea in sub-Saharan Africa: BeSAS study**  
Prudence Wachinou (Cotonou, Benin)
- Joint Sessions, Virtual Room 3
- 11:00 - 12:00** **Joint SSP/EFP Session The lung and the environment**
- 11:00 - 11:18** **Ambient air pollution and the COVID pandemic - what is the link?**  
Nino Künzli (Basel, Switzerland)
- 11:20 - 11:38** **COPD and domestic pollution**  
Chantal Raheison (Bordeaux, France)
- 11:40 - 11:58** **The lung and climate changes**  
Agnès Hamzaoui (Tunis, Tunisia)
- Industry Sessions, Virtual Room 1
- 12:15 - 13:00** **Satellite Lunch Symposium**  
OM Pharma Suisse Particle size matters - do not stop halfway
- Industry Sessions, Virtual Room 2
- 12:15 - 13:00** **Satellite Lunch Symposium**  
Sanofi Severe Asthma
- Industry Sessions, Virtual Room 3
- 12:15 - 13:00** **Satellite Lunch Symposium**  
Vertex Transforming Care in Cystic Fibrosis: The Past, The Present and The Future

## Scientific Programme

- Joint Sessions, Virtual Room 1
- 13:15 - 14:15** **Joint ERS-SSP/EFP Session Secondary interstitial lung diseases**
- 13:15 - 13:33** **Pulmonary manifestations of graft vs host disease after stem cell transplantation**  
Anne Bergeron (Paris, France)
- 13:35 - 13:53** **Pulmonary diseases related to immunotherapies**  
Jérôme Plojoux (Geneva, Switzerland)
- 13:55 - 14:13** **Non infectious disorders after lung transplantation**  
Christian Benden (Zurich, Switzerland)
- Joint Sessions, Virtual Room 2
- 13:15 - 14:15** **Joint SSP-EFP Session Severe Asthma**
- 13:15 - 13:33** **Burden of systemic corticosteroid therapy in asthma**  
Louis-Philippe Boulet (Quebec, Canada)
- 13:35 - 13:53** **Presentation of the Swiss Severe Asthma Registry**  
Jörg Leuppi (Liestal, Switzerland)
- 13:55 - 14:13** **Update on biological treatments?**  
Roland Buhl (Mainz, Germany)
- Industry Sessions, Virtual Room 3
- 13:15 - 14:15** **Satellite Atelier**  
Merck New treatment options in pulmonary arterial hypertension
- Industry Sessions, Virtual Room 3
- 14:15 - 15:00** **Satellite Symposium**  
Astra Zeneca Epithelial cytokines in the airway – Is there a new master switch?
- Joint Sessions, Virtual Room 1
- 14:30 - 15:30** **Joint Session SSP-EFP Thrombo-embolic disease**
- 14:30 - 14:48** **Acute pulmonary embolism**
- 14:50 - 15:08** **Post PE management**  
Laurent Bertoletti (St Etienne, France)

## Scientific Programme

15:10 - 15:28

### **Balloon pulmonary angioplasty (BPA) for CTEPH**

Frédéric Lador (Geneva, Switzerland)

Joint Sessions, Virtual Room 2

14:30 - 15:30

### **Joint Session SSP-EFP Pulmonary function testing**

14:30 - 14:48

#### **Impact of the new prediction equations (GLI) on patient classification Part 1: Spirometry**

Konrad Bloch (Zürich, Switzerland)

14:50 - 15:08

#### **Impact of the new prediction equations (GLI) on patient classification Part 2: Pulmonary volumes and DLCO**

Bruno Degano (Grenoble, France)

15:10 - 15:28

#### **Challenges of implementing spirometry in emerging countries**

Andre Amaral (London, United Kingdom)

Industry Sessions, Virtual Room 3

15:15 - 16:00

### **Satellite Symposium / Atelier**

Joint Sessions, Virtual Room 1

15:45 - 16:45

### **Joint SSP-EFP Session Pulmonary Arterial Hypertension**

15:45 - 16:03

#### **Assessment of cardiac output: where is the truth?**

Léon Genecand (Geneva, Switzerland)

16:05 - 16:23

#### **Haemodynamic definition of PH and exercise right heart catheterization**

Silvia Ulrich (Zürich, Switzerland)

16:25 - 16:43

#### **New treatments and treatment strategy in PAH**

Marc Humbert (Paris, France)

Joint Sessions, Virtual Room 2

15:45 - 16:45

### **Joint Session SSP-EFP Pulmonary function test challenge**

Chair: Anh-Tuan Dinh-Xuan (Paris, France)

Chair: Pierre-Olivier Bridevaux (Sion, Switzerland)

15:45 - 16:12

#### **Adult case presentations**

Anh-Tuan Dinh-Xuan (Paris, France)

Pierre-Olivier Bridevaux (Sion, Switzerland)

16:15 - 16:42

#### **Pediatric case presentations**

Sylvain Blanchon (Lausanne, Switzerland)

## Scientific Programme

**16:15 - 17:00**

Industry Sessions, Virtual Room 3

**Satellite Symposium / Atelier**

**17:15 - 18:00**

Industry Sessions, Virtual Room 1

**Satellite Atelier**

OM Pharma Suisse Oscillometry - how and when to use?

**17:15 - 18:15**

Joint Sessions, Virtual Room 2

**Joint SSP-EFP Session Round table on collaboration and research within the EFP**

**17:15 - 18:00**

Industry Sessions, Virtual Room 3

**Satellite Symposium / Atelier**

## Scientific Programme

Friday, 18 June 2021

---

	Joint Sessions, Virtual Room 1
<b>08:45 - 09:45</b>	<b>Joint Session SSP-EFP Functional respiratory disorders</b>
<b>08:45 - 09:03</b>	<b>Dysfunctional breathing, hyperventilation Syndrome (including COVID-related)</b> Stephen Fowler (Manchester, United Kingdom)
<b>09:05 - 09:23</b>	<b>Inducible laryngeal obstruction (ILO)</b> Jörg Edgar Bohlender (Zürich, Switzerland)
<b>09:25 - 09:43</b>	<b>Dysfunctional breathing under NIV</b> Marjolaine Georges (Dijon, France)
	Joint Sessions, Virtual Room 2
<b>08:45 - 09:45</b>	<b>Joint Session SSP-EFP Lung cancer: special surgical situations</b>
<b>08:45 - 09:03</b>	<b>Surgical management of pulmonary metastases</b> Michel Gonzalez (Lausanne, Switzerland)
<b>09:05 - 09:23</b>	<b>How to manage post-segmentectomy N2 disease ?</b> Gregor Kocher (Bern, Switzerland)
<b>09:25 - 09:43</b>	<b>Expanding surgery for oligometastatic stage IV lung cancer</b> Didier Lardinois (Basel, Switzerland)
	Joint Sessions, Virtual Room 3
<b>08:45 - 09:45</b>	<b>Joint Session SSP-EFP Mycobacteria 2</b>
<b>08:45 - 09:03</b>	<b>Latent tuberculosis - newly defined? How to diagnose? How to treat?</b> Otto Schoch (St. Gallen, Switzerland)
<b>09:05 - 09:23</b>	<b>Non tuberculous mycobacteria: the new kid on the block?</b> Nicolas Veziris (Paris, France)
<b>09:25 - 09:43</b>	<b>Non tuberculous mycobacteria and HIV</b> Olivier Naweï Tshikung (Switzerland)
	Joint Sessions, Virtual Room 1
<b>10:00 - 11:00</b>	<b>Joint SSP/EFP Session Non-invasive ventilation</b>

## Scientific Programme

10:00 - 10:18

### Swiss 2020 NIV guidelines

Jean-Paul Janssens (Geneva, Switzerland)

10:20 - 10:38

### NIV: Trouble shooting

Esther Irene Schwarz (Zürich, Switzerland)

10:40 - 10:58

### High-Flow versus NIV in chronic respiratory failure

Grégoire Gex (Sion, Switzerland)

10:00 - 11:00

Joint Sessions, Virtual Room 2

### Joint Session SSP-EFP Lung cancer: proximal airway involvement

10:00 - 10:18

#### Endoscopic management of benign proximal airway stenosis

Hervé Dutau (Marseille, France)

10:20 - 10:38

#### Surgical management of benign proximal airway stenosis

Emmanuel Martinod (Paris, France)

10:40 - 10:58

#### Is the 3D printed stent the stent we all dream of?

Daniel Franzen (Zürich, Switzerland)

10:00 - 11:00

Joint Sessions, Virtual Room 3

### Joint SSP-EFP Session Mycobacteria 1

10:00 - 10:18

#### Tuberculosis locally and globally in 2021

Gunar Günther (Bern, Switzerland)

10:20 - 10:38

#### Tuberculosis «goes molecular» - state of the art in the diagnosis of active disease and resistance

Peter Keller (Bern, Switzerland)

10:40 - 10:58

#### «Luminous dots» - current tuberculosis research in the clinical context

11:15 - 12:15

Joint Sessions, Virtual Room 1

### Joint Session SSP-EFP Respiratory disorders at extremes of life

11:15 - 11:33

#### Sleep disorders in infants and toddlers

Daniel Trachsel (Basel, Switzerland)

11:35 - 11:53

#### NIV and CPAP in patients over 75: is it possible?

Chloé Cantero (Geneva, Switzerland)

11:55 - 12:13

#### Periodical breathing and heart failure: where are we today?

Marie Pia d'Ortho (Paris, France)

## Scientific Programme

- Joint Sessions, Virtual Room 2
- 11:15 - 12:15** **Joint SSP-EFP Session Lung Cancer**
- 11:15 - 11:33** **Update on evidences for lung cancer screening**  
Christophe von Garnier (Lausanne, Switzerland)
- 11:35 - 11:53** **Lung cancer screening in Switzerland - where are we?**  
Milo Puhan (Zürich, Switzerland)
- 11:55 - 12:13** **Targeted treatment in lung cancer**  
Catherine Labbé (Quebec, Canada)
- Joint Sessions, Virtual Room 3
- 11:15 - 12:15** **Joint SSP-EFP Session Vaccination in SARS-CoV-2 infection**  
Chair: Claire Andrejak (France)
- Industry Sessions, Virtual Room 1
- 12:30 - 13:15** **Satellite Symposium**  
Novartis From ICS to biologicals: maintenance therapy in an inhaler?
- Industry Sessions, Virtual Room 2
- 12:30 - 13:15** **Satellite Symposium**
- Industry Sessions, Virtual Room 3
- 12:30 - 13:15** **Satellite Symposium**
- Paediatric Pulmology Sessions, Virtual Room 1
- 13:30 - 14:30** **Pediatric session Respiratory failure in pediatric patients**
- 13:30 - 13:48** **Use of high flow humidified oxygen therapy in children**  
Jürg Hammer (Basel, Switzerland)
- 13:50 - 14:08** **Pre and peri operative preparation to NIV for high risk children before major surgery**  
Regula Corbelli (Geneva, Switzerland)
- 14:10 - 14:28** **Long term NIV in children**  
Miriam Giarrana (Zürich, Switzerland)

## Scientific Programme

**13:30 - 14:30**

Joint Sessions, Virtual Room 2

### **Joint SSP-EFP Session Pulmonary Challenge**

Chair: Konrad Bloch (Zürich, Switzerland)  
Chair: Thomas Brack (Glarus, Switzerland)

**13:30 - 14:15**

Industry Sessions, Virtual Room 3

### **Satellite Atelier**

**14:45 - 15:45**

Paediatric Pulmology Sessions, Virtual Room 1

### **Pediatric Grand Rounds**

Chair: Isabelle Rochat (Lausanne, Switzerland)  
Chair: Nicolas Regamey (Luzern, Switzerland)

**14:45 - 15:45**

Joint Sessions, Virtual Room 2

### **Joint Session SSP-EFP Pleural disease**

**14:45 - 15:03**

#### **Pleural fibrinolysis update of literature and practices**

Benoit Bédât (Geneva, Switzerland)

**15:05 - 15:23**

#### **New guidelines for the management of mesothelioma**

Ilhan Inci (Zürich, Switzerland)

**15:25 - 15:43**

#### **Molecular diagnostic in the management of respiratory infections - any news?**

Daiana Stolz (Basel, Switzerland)

**14:45 - 15:30**

Industry Sessions, Virtual Room 3

### **Satellite Atelier**

**16:00 - 17:00**

Paediatric Pulmology Sessions, Virtual Room 1

### **Pediatric Session Pulmonary disease from childhood to adult life**

**16:00 - 16:18**

#### **Early origin of pulmonary disease**

Sejal Saglani (London, United Kingdom)

**16:20 - 16:38**

#### **New treatment options in cystic fibrosis**

Alexander Möller (Zürich, Switzerland)

**16:40 - 16:58**

#### **Asthma from childhood to adult life**

## Scientific Programme

**16:00 - 17:00**

Session, Virtual Room 2

**SSP Best Swiss scientific research 2020/2021**

**16:00 - 16:45**

Industry Sessions, Virtual Room 3

**Satellite Atelier**
